I, Ali Akgunduz, agree to be the Stakeholder for the project **Curriculum Management System**. As the Stakeholder, I agree to sign off on completed user stories and meet, briefly, with the students at the end of every two week iteration to discuss the progress of the project (meetings can be on the phone). I will also do a set of initial meetings to determine the core features and user stories. I am committed to the full term of this project, from September 2019 to the end of May 2020.
